TO ALL AEAA PRIMARY MEMBERS

RE: 28TH ANNUAL AEAA CONFERENCE

This is to inform you that the next AEAA Annual Conference will be held from **20th to 27th June 2010** in **Abuja, Nigeria**.

The change of date from August has been necessitated by the fact that IAEA Annual Conference will be taking place from **22nd to 27th August 2010**. In view of this, we have held consultations with the host Examination Boards and they have agreed on the said dates.

I am therefore kindly requesting that you commence the preparations to make this important annual event successful.

The **theme** and **sub-themes** of the conference will be communicated to you in due course by Professor Dibu Ojerinde, the AEAA Vice President and by a copy of this communication Professor Ojerinde is so advised.
